MEXICO TRIP

In June, our team headed toward Del Rio, Texas not knowing if we would be able to continue into Mexico. We had a variety of medical equipment that included hospital beds, adult diapers, walkers, crutches and new T shirts. We were allowed to cross into Mexico and help deliver food baskets to many that had lost their jobs due to covid19. Our partners on both side of the borders organized and orchestrated great ministry opportunities for the food distribution and a cookout at *Visión De Amor Orphanage*.

Ft. Gibson OK FWB Church donated 50 feet of aluminum wheelchair ramps, rails & platforms. Thank you Pastor Tommy Honeycutt & church!

WE ARE BLESSED WITH GENEROSITY!

Oklahoma Blood Institute continued their long time traditional of tee shirt donations! We received approximately 2,000 shirts that will continue to clothe those in Mexico, Cuba, Nigeria and locals with our homeless ministries. THANKS AGAIN OBI!

We have been blessed recently with donations from the Pauls Valley and Purcell, OK Care Centers! Their donation included 5 hospital beds, 18 hospital bed mattresses, 25 walkers, 3 wheelchairs, 2 IV stands and 2 lab chairs! In May we shipped these supplies to Nigeria and took some personally to Mexico. Thanks for thinking of us!
