Bus Donation to Visión De Amor Orphanage!

Visión De Amor orphanage director Sister Irma receives the keys to their bus!

Bridge Builders for the Cross delivered another bus/van to the children's home in Mexico in September. This was such a blessing to them as these children have been riding around in a pizza van with no seats! BBFTC was able to purchase a bus and refurbish it.

We were introduced to this new ministry when Arnold View FWB Church, Creal Springs, IL gave us a van. That van was donated to a Texas/Mexico ministry and is being used in a great way! We are now on our third van to be taken to Mexico in December when we will do our annual "Christmas Backpacks for Kids" ministry. This van will also meet the need of another ministry there.

If you would be interested in helping or know of a church or vehicle that could be used to help this ministry please contact BBFTC at:

Rice for Cuba!

In July BBFTC bought a container of rice to ship to Cuba. We are still waiting for the final authorization from the Cuban government to ship it. The covid19 situation has closed government offices in Havana and has slowed the process, much to our frustration!

Food distribution has been limited for some time in Cuba. Wikipedia reports, "...Cuba imported about 70–80% of its food and 80–84% of the food it rations to the public." We know the situation has worsened considerably since this report! Please continue to pray the authorization to ship the rice will be soon! After that delivery, we want to start on a second container.

Bible Distribution

BBFTC continues Bible distribution locally, as well as in Oklahoma prisons, Mexico and Cuba. Long time Ada, OK Christian businessman, Jim Dicus of Dicus Apple Food (*no relation to our cofounder Jim Dycus of Mt. Vernon, IL*) has allowed BBFTC to distribute New Testaments in his grocery store since June.

We also provide Bibles locally through Dollar General, Golden's Gas & Grill, Mama T's homeless ministry, and Abba's tables.

Feeding & Clothing The Homeless

In August, BBFTC partnered with Arms of Compassion in Oklahoma City to minister to the homeless. We fed hamburgers, hotdogs, nachos and dessert to over 200 people. There was also clothing, Bibles and prayer provided!

Mexico Trip

In September we maneuvered our caravan of 7 team members in a 15 passenger bus donated to Visión de Amor Orphanage and 2 vans pulling trailers full of donations for our partners in the Del Rio/Acuña area.

There was flooring for the orphanage boys & girls' dorms, wheelchair ramps and chairs for Centauro Sifuentes home for the homeless, medical equipment, games and blessings for many!

We provided meals, played with the children, provided needed funds for ministries and were blessed beyond our understanding!
