BIBLES

A thank you note from one of our Bible distributors:

"For the past three years, I have stood outside of The Abortion Clinic in OKC. I have "Free Bible Let Us Pray for You" table set up set up outside of 'The Gates of Hell'. We call it the 'Gates of Hell' because innocent people are being brutally murdered. They are torn limb from limb and skulls are crushed. They have a voice!

I was a nurse and I saw them scream as far as their little mouths could open. I watched an abortion on video when I was in nursing school. God broke my heart!

I have gift bags these women with a list of 25 agencies that can help them with anything they need, including adoption. I have an ultrasound bus parked across the street. I intercept these women and the Holy Spirit takes over. I share the Gospel with everyone coming in and passing by.

I have prayed with over 300 souls that have prayed to believe in Jesus for their Salvation and I have held babies that have been saved from 'slaughter' in my arms.

I live life deliberately and I ask God for Devine appointments daily. I ask Him to kill my flesh and live in me and he does! I ask for souls and babies and He gives me the desires of my heart.

All that matters to me is leading the lost to Jesus and representing him well in a day when he is misrepresented. Each Day we have left is such a Precious Gift. God Bless you for helping me."

BBFTC has been providing funds to buy Bibles to Tom Harkness with East Coast Ministries for India, Nepal & Pakistan. While planting a church in Media, PA, he met a Pakistani pastor who connected him with a network of pastors in these countries. Tom told us,

"The various ministries tithe 10% of their bibles to other churches in the area to bring blessing to more churches. The Nepalese church told me that for every Bible they hand out the people committed to be disciplined. They are winning people to Jesus there and are giving out the bibles and discipling them as they come into the kingdom. We are so thankful for your ministry!"

Cuba Beans & Rice

We are extremely happy to see the 2nd container of rice being unloaded and ready for distribution for our Christian brothers and sisters in Cuba! The black beans have arrived in Cuba and awaiting release by the Cuban government. A **"BIG MUCHAS GRACIAS"** to all of our Bridge Builders for the Cross partners that made this possible!

Donations

We recently received approximately **6,000 t-shirts** donated from **Oklahoma Blood Institute! OBI** continues to remember us with excess supplies of new t-shirts they cannot use. They also donated 8 donor chairs that were taken to Mexico in May. Through the years they have donated well over 100,000 items to BBFTC! A big **'MUCHAS GRACIAS'** to OBI!

We also want to give a heartfelt thank you to **Mercy Hospital, Chickasaw Nation Medical Center and The Salvation Army Thrift Store in Ada, OK.** These folks have been donating excess medical supplies to us for some time! These supplies not only benefit those locally but have been tremendously appreciated by our partners in Mexico and Nigeria!

Mexico

Our May trip to Mexico saw a variety of generosity! A storage building constructed, 2 vans donated, children and homeless fed, and medical supplies donated to hospitals and individuals in Acuña! Wow! We had a group of 17 from Oklahoma and Illinois and we greatly appreciate the help and donations from all of our partners!

India

"Dear brother Gary, thank you for your generosity toward this Covid Relief distribution. 60 families received food packets for 2 weeks at the cost of \$14 dollar for one family. We spent \$840 for these 60 families. Thank you, Bridge Builders for the Cross, for your generosity and loving heart for these people."

Feeding the Homeless

In May we teamed up with our partners at Arms of Compassion Ministries and ministered with a meal, clothing and Bibles to the homeless in Oklahoma City.
