April 2022

Cuba

After a long 2-year absence in Cuba we finally had the opportunity in March to spend some time with our brothers and sisters there! Visiting with a variety of ministry leaders it was obvious that everyone wants resume ministry sharing with BBFTC. While there the 5th container of beans and powdered milk was unloaded. We heard words of appreciation for the containers of beans and rice everywhere we went! Please continue to pray for all the brothers there. It is a very difficult time.

Thank You Donors!

We are so blessed with so many individuals and organizations that continue to donate items that we can share with our partners! The Ada office of Oklahoma Blood Institute donated another 4,000+ T-shirts in February. The Salvation Army Thrift Store continues to donate all medical equipment that enters their store and both hospitals in Ada continue to give us all excess medical supplies! We are very thankful for these partners!

It was great to be in a youth worship service in Viñales.

We are ready to send the next container of medical supplies to our partners in Nigeria. This picture shows the last container recently received. We have started to include Bibles and a variety of other needed items.

Mexico

On our most recent visit our team of 11 provided meals to the residents at Centauro disability home, Visión de Amor children's home and a neighborhood senior citizens center. We also volunteered at the Val Verde Border Humanitarian Coalition ministering to immigrants coming into the US and provided food and supplies to a new Christian school in Acuña.

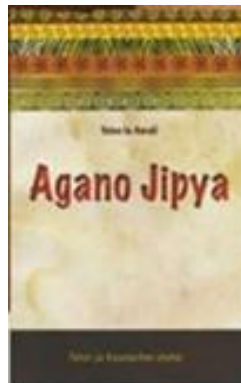

"The afternoon was all about the kids in Acuña. We went to a school on Saturday organized by a church and funded through donations. So fun to watch the children learn. Then we went to a children's home and served lunch. We were not allowed to take pictures, but they were the happiest kids. Today was such a blessing." - Michelle

Bibles

"One of our team pastors (in Asia) is carrying the Bibles secretly to a village 9 kilometers for distribution."

Bibles in Prison

"The daily grind of prison ministry presents its own unique set of challenges. It is a breath of fresh air when a support ministry comes along to provide the needed tools to help complete the task of making disciples. The Great Commission does not end at the gates of the prison yard. These men and women present one of the greatest evangelistic opportunities on the face of the earth. That is why having a partner like Bridge Builders for the Cross, is so crucial to what we do not just here at John H. Lilley Correctional Center, but in all the other facilities across the state. I appreciate so much BBFTC providing bibles with several different translations to choose from and even being willing to purchase specific disciple making books I have requested. May their tribe increase in seeking to serve the millions that many have forgotten." - Chaplain Frank Gregory, John H. Lilley Corr. Ctr, Boley, OK

Bible Languages

In the first 3 months of 2022 we have been asked for Bibles in a variety of languages and English and Spanish continues to be in most demand. However, we have requested and distributed Bibles in Swahili, Arabic, Dari, Poshto, Nepali, Odia, Bengali, Hindi, Russian, Portuguese, Chinese and Burmese! We appreciate so much those who donate to our Bible ministry! It continues to GROW!
