LOCAL BLESSINGS!

We were recently contacted by members of the International Victory Charismatic Church in Del City, OK. They had been told about our ministry in Mexico and had a large quantity of baby diapers for us! We had a wonderful time meeting and visiting with the pastor's wife and several of their members! God Bless you all!

MEDICAL SUPPLIES & OTHER ESSENTIALS

We continue to be aware of the various needs in Mexico. Our April and May trips included a variety of medical equipment, over 2,000 boxes of macaroni & cheese, hand sanitizer, adult and baby diapers.

MEXICO

We have partnered with Young Living Stones ministries in providing food and supplies to a new Christian school in Acuña. Pastor Zarate and family have been doing a wonderful work establishing and teaching children in the Acuña area that have been ignored or neglected by the education system

These two ladies stated that, "Our canes were the best Mother's Day gift we received!"

CUBA

We continue to send support and encouragement to our Cuban brothers and sisters with the various rice and bean shipments.

Our partnership with Bob Tidd with Cuba Para Cristo has been invaluable in purchasing, shipping and the distribution efforts.

Currently, we had a container of rice that shipped to Cuba from Florida on June 27th and another container of rice in transit to Miami.

Everyone is aware of the rise in food and transportation costs. Please contact us if you would like to be involved in these efforts.

BIBLES

Partner Shon Young giving a Spanish New Testament provided by BBFTC to a Venezuelan immigrant in Del Rio.

We have been providing these New Testaments to immigrants from various countries at the Del Rio and Eagle Pass, Texas processing centers.

Christians receiving Bibles in Bangladesh!

We appreciate our partnership with East Coast Ministries International and the work they are doing in Asia. *“So much evangelism among the almost 85 pastors and evangelists from Muslim background that are involved in our ministry and sharing the gospel!”*
